## Holistic Health Conference Speakers

### **John Hoefler MS.**

#### **"Experiencing the Energy of Healing"**

Energy Healing Theory and Experience will be presented by John Hoefler. Explore the energy that healers utilize in their practices and discover ways that everyone experiences and uses that energy everyday. Johns' presentation will examine the model of human energy field and the ways we naturally regulate the energy field. The workshop will be about 40% information 60% experiential.

**John Hoefler** is the founder and director of the Kansas City Healing Project. The Kansas City Healing Project is a 501 c (3) organization started in 2005 to provide energy healing support of cancer patients in the Kansas City area. John is a graduate and teaching assistant of the 3 year Core Star Healer Training Program. He is also a Karuna Reiki Master and has studied with other national recognized healers. In addition to healing work, he has served as a board member of Unity Church of Overland Park and has also served as a prayer chaplain and prayer circle leader. John is currently a member of the board of directors of House of Menuha..

### **Andrea Leigh Youngman BFA, CH.**

#### **"Reaching for the Healing of Higher Consciousness"**

Discussion and Demonstration of Ultra Height® as a healing modality a Non-directive hypnotic method Ultra Height® will be presented and demonstrated with a volunteer. Andrea will also present a case study of the communication between a remote healing group and how they assisted a young woman with a complicated pregnancy.

**Andrea Leigh Youngman** received her hypnosis training from Linda Gentry and is a certified hypnotist through MIH. She also trained with Gerald Kein of Omni Hypnosis and is now a designated trainer for Omni Hypnosis® in Columbia, MO. Andrea is the founder of Omni Hypnosis Training Center of Columbia, MO. She is a member of MIH and the National Guild of Hypnotists, (NGH). Her degree in Creative Writing from Stephens College, along with her training in grant writing provide a solid base for the courses she teaches at Columbia Career Center in Self-Improvement, Group Weight Loss Sessions and Group Stop-Smoking Sessions. ### **Rev. Gary Langston "Red Bear Who Sees All Worlds", Shamanism--"Navigating the Unseen Realm as Part of Everyday Life"**

Rev. Gary Langston will explore how shamanism can play a part of everyday life in a manner that is for the greater good for all. Gary will share what his journey has been like and how he has put these trainings to use in his daily life. This workshop will be both informational and experiential.

**Rev. Gary Langston "Red Bear Who Sees All Worlds"** is a shamanic counselor and ordained minister in the Greater Kansas City area. Rev. Langston is a Diplomat of Earth Stewardship and a Certified Spiritual Healer. Gary's apprenticeships with Native Teachers from several traditions, his tribal membership in the Northern Cherokee Nation and his natural intuitive abilities have helped to direct Gary into his sacred work as a masterful healer and facilitator. Gary moves from the heart into work with youth, teens and adults, empowering them to embrace the gifts of their own hearts. He is co-creator of the Buffalo Lodge and is a Pachakuti Mesa carrier and a pipe carrier within the Cherokee Nation. Gary Langston serves as alternate council member for American Indian Spirituality on the Greater Kansas City Interfaith Council (GKCIFC) and is a speaker for the GKCIFC Speakers Bureau. **Dr. Jay Peters MS. D. Min.**

**"The Spirituality of Hypnosis"**

Remembering the past through past life regression therapy. The spirituality of hypnotherapy is a journey of self-discovery by letting go, changing, healing, or releasing whatever is buried and remembered from our earlier lives. Remembering the past through hypnosis is an exploration of the histories and emotion of the soul to understand the purpose of life. The general process of hypnotherapy as well as regression hypnosis is a non-threatening peaceful experience designed to enhance the quality of one's life and relationships. Jay will present several case studies with their results and provide explanation of the spirituality of remembering the past and how this information impacts current life situations.

**Dr. Jay Peters** has been assisting individuals, couples, and families for over 20 years. Jay provides assistance with personal growth, marriage enrichment and spiritual development. Jay's experience as an ordained minister in the Catholic ministry, addiction specialist, psychotherapy and hypnotherapy has assisted his clients in discovering a positive resolution of life issues. Dr. Peters is a Licensed Clinical Professional Counselor, Licensed Clinical Marriage and Family Therapist, Registered Alcohol and Other Drug Abuse Counselor, Licensed Marriage and Family Therapist (MO). He is a certified hypnotherapist with the Missouri Institute of Hypnotherapy (MIH), National Guild of Hypnotists (NGH) and a member of the American Association of Marriage and Family Therapists.
